## MISSION MOMENT

### Mona Froese

Greetings from Hyderabad, India! There has been lots happening over the past few months and I've been grateful knowing many were behind me in prayer.

Coordinating international visitors has still been a big part of my role and with that came lots of hours and admin which is not exactly my gifting. So the leadership heard my cry for a change and they have now appointed someone else to take over. Coordinating visitors had many joys and one of those happened at the time of Canadian Thanksgiving. We just happen to have a team here from Canada and the team leader arranged with their hotel manager a wonderful thanksgiving dinner which I was their honored guest. Yes, we had turkey. My job now will still be working assisting with the leadership team (Bishop's council as we now call them) and with the many challenges we are facing, we do need much wisdom. After trying to take a little bit less pace of a schedule, I will get more involved again with the shelter girls and mentoring the women serving in our organization.

#### CONCERNS AND REQUESTS:

I leave you with some concerns to pray about. 1. Health issues for many within our organization. 2. Minorities are still being targeted by the extreme Hindus so both caution and boldness need to be sought. 3. Our girl's shelter is facing challenges from the gov't putting so many demands in keeping a home with many girls. 4. I am in need of some time to just be still and build myself up.
